Rapid Antigen Test Workflow

Antigen Test Result

Positive

Asymptomatic → **Isolate at home**

Symptomatic → **Isolate at home**

Negative

Asymptomatic → **Unlikely to be infectious** → **Can participate in school**

Symptomatic → **Unlikely to be infectious** → **Can participate in school per school guidelines** ⇢ **If high concern for COVID-19*: confirmatory PCR**

Ambiguous

Repeat antigen test immediately → **If still ambiguous: confirmatory PCR** → **Isolate at home, get results before returning to school**
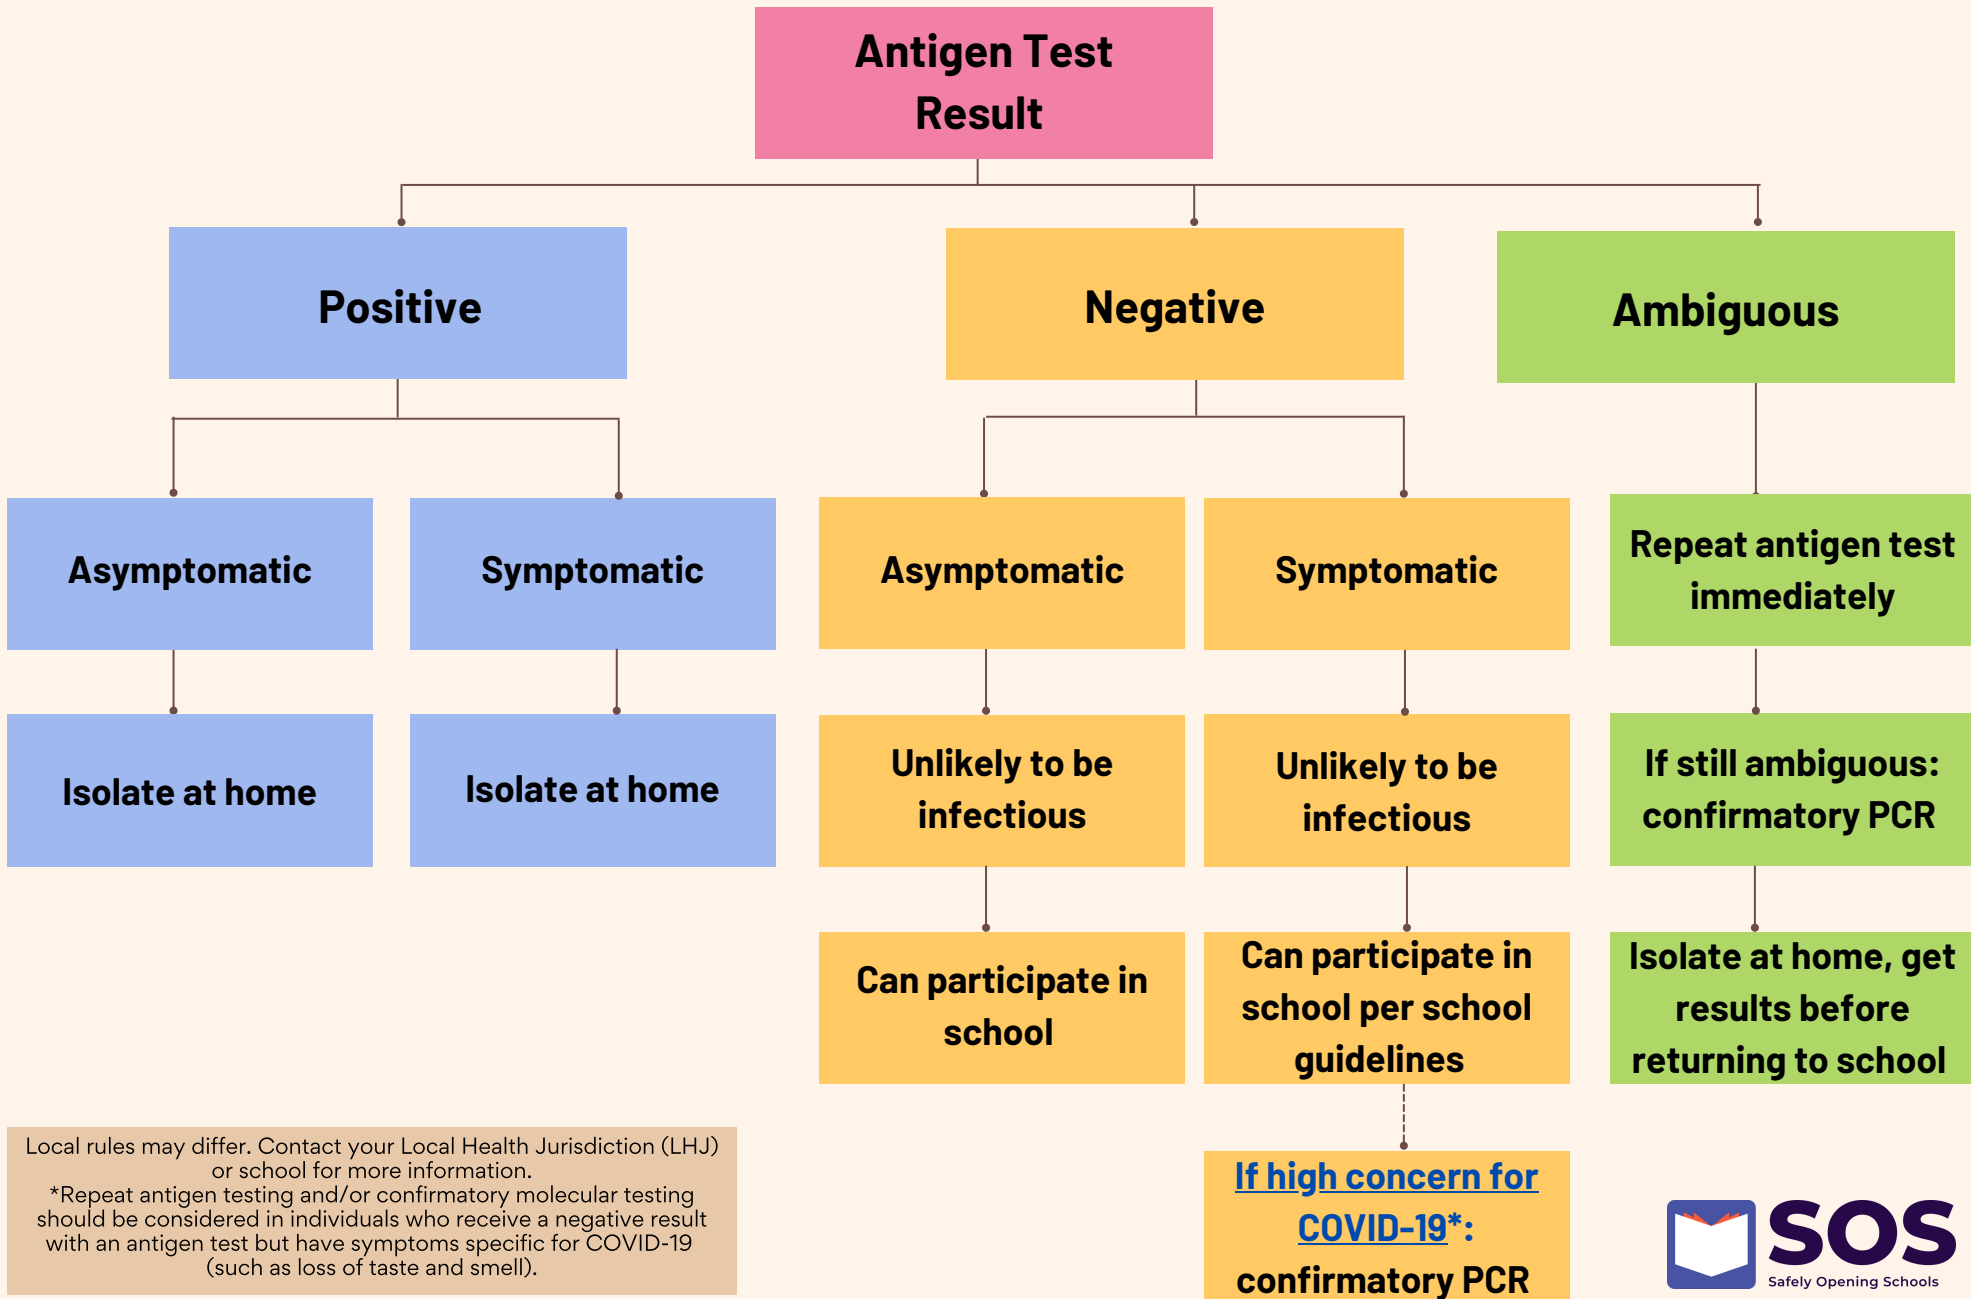

Local rules may differ. Contact your Local Health Jurisdiction (LHJ) or school for more information.
*Repeat antigen testing and/or confirmatory molecular testing should be considered in individuals who receive a negative result with an antigen test but have symptoms specific for COVID-19 (such as loss of taste and smell).
